

HEDIS® Quick Reference Billing Codes

Immediate Benefits:

- **Elimination or decrease** in onsite HEDIS medical record reviews

ALERT!

- Sports physicals may be billed as well visits if all five components are clearly documented and dated on the same day in the medical record: (1) Physical exam, (2) physical developmental history, (3) mental developmental history, (4) health history, and (5) anticipatory guidance. Please add the BMI Percentile to the record.
- Occasionally, two codes may be necessary (e.g., 99052 or 99050) to indicate after hours services.
