Correction Re: CMHRS Services that Cannot Overlap Update from 11/24/2020

Date: 02/05/2021

Applicable Plan(s): Medallion 4.0 & CCC Plus

Virginia Premier issued a Provider Update on 11/24/2020 notifying providers of services that are not allowed by DMAS to be provided at the same time. Attached to that communication was a chart of services that cannot overlap. The attached chart indicated that Intensive Community Treatment (ICT) could not be provided at the same time as Crisis Intervention. This distinction was in error and has been corrected in the chart attached to this communication. Please disregard the chart attached to the previous Provider Update from Virginia Premier.

Please contact Provider Relations at 804-968-1529 if you have any questions.

Thank you,
